

Executive Summary

The IMDB database has information for 7997 movies. The title, year, date of publishing and duration is available for all the movies whereas the country of origin, languages in, worldwide gross income and production house may or may not be present. Interestingly, the production of movies has gone down by the subsequent years following 2017. Most producers have chosen March as their favourite month for a movie release.

The Drama genre has seen the highest number of releases overall. Almost half of all movies are concentrated to one genre of movie category. The average length of movies is around 100 minutes. Movies generally get a rating in the range of 1 to 10. However, votes per movie are unpredictable as it can range from 100s to more than a few hundred thousand.

There are quite a few Indian movies like Fan, Android Kunjappan Version 5.25 etc. which are in the top 10 movies based on average rating. Most movie ratings fall in the range of 7-8. The most well performing production houses have been Dream Warrior Pictures and National Theatre Live. James Mangold, Joe Russo or Anthony Russo may be considered for the role of a director in RSVP movies first global release. Marvel Studios, Twentieth Century Fox, and Warner Bros. are the top production houses which should be considered for collaboration. Vijay Sethupathi, Fahadh Faasil, and Yogi Babu are the best actors while Taapsee Pannu and Divya Dutta are the best actresses for the Indian audience.
